HOLIDAYS BEGIN ON FRIDAY 18th SEPTEMBER 2015

Squash Clinic ~ Tuesday 4th August 2015 ~ Grades 3 to 6

Our Parents' Club members have been extremely busy organizing prizes for our **Bogan Bingo / Trivia night** on Friday 21st August at the Kialla Hall. At last night's Parents' Club meeting we sorted all of the donations we have been very fortunate to receive from our very generous local businesses.

Auction items include:

- A load of split wood
- A joy flight over the local area
- 1 x nights accommodation at the Bright Avenue Motor Inn
- Family portrait session & framed portrait
- Poolwerx Gold Service
- Luna Park Family Pass
- Fire Pit
- Aqua Mist Fan
- Fishing packs

Payment for auction items will be accepted on the night or can be paid at school by **Friday 28th August**.

There are also 30 raffle prizes on offer that are valued between \$20 and \$30. Tickets are \$2.00 each or 3 for \$5.00 and will be drawn on the night. Raffle books have been sent home today and need to be returned to school by **Thursday 20th August**. Please write on both sides of the raffle tickets. This is a great way for you to support our school if you are unable to attend our major fundraising event.

Don't forget to book your table of 8 for our **Bogan Bingo / Trivia night**. So far there we have **12 tables** who are keen to do battle and enjoy a very entertaining night. Team names and payment is due on **Friday 14th August** - refer to attached flyer. There will be various activities throughout the night including: coin toss, auctions, raffles, lucky door prize, best dressed male & female and a guaranteed highlight of the night will be our inaugural running of the

phantom Kialla Central Cup!!
A big thank you to all of the businesses & families who have so generously supported our major fundraising event for this year.

From **Monday 17th to Friday 21st August** we will be hosting our annual **Scholastic Book Fair**. As usual, this will be set up in our library area. Students and parents are welcome to wander through from **8.30am to 8.50am** and again from **3.15pm to 3.45pm**.

For those students who are going to Woorabinda Camp next week, you will be able to have a look and purchase what you would like this coming Thursday and Friday from **8.30am to 8.50am**.

Book Week is from Monday 24th to Friday 28th August. Our students have been looking at the winning and shortlisted books with Miss Smith in Library this term. We will be hosting a **dress up day** based on favourite book characters on **Friday 28th August**. Our students will also have the opportunity to place an order for some popcorn. See attached return slip for details.

PARENT SURVEYS

Our **Kialla Central P.S. Parent Feedback Survey (printed on orange paper)** has now closed. I received 23 completed surveys out of 42 families. I will now read them and collate the results which I will share through our newsletters.

This year we had 29 families complete the **Department of Education & Training's Parent Opinion Survey**. While I didn't quite get to my target of 32 returned surveys, it is the highest number of returns we have had. This will provide a true cross section of our parents' feedback and opinions. I appreciate the time you have taken to complete both of these surveys. Thank you!

STAFFING UPDATE

Mr Zito will be back on board next Monday 17th August after completing his husband and father duties.

A big thank you to Mrs Lisa Irwin who has done a fantastic job in Mr Z's room. She has kept things going and it has been business as usual! Mrs Gamble is going on leave from Friday 14th until Monday 31st August. Mrs Jess Healey and Miss Bec Paris will be in Mrs Gamble's grade during this time.

Heather Adderly is making good progress with her foot. She is starting to move around with the assistance of crutches which is fantastic news.

Amanda Preston is doing our Outside of School Hours Care program. She running OSHC Mondays to Thursdays and I am doing Fridays.

I would like to sincerely thank Trace Opie, Ashlea Baker and Coralie Gamble who have helped with the OSHC program. It is another "extra" they have willingly taken on in the interest of our students and families. Thanks so much!

We have been very fortunate to have Mrs Lisa McCrae for the past 3 weeks on her teaching placement. She has been teaching across our 3 grades and she will be spending most of this week in with the grade 5/6s. I would like to thank Lisa for the contribution she has made to our school during her placement. We wish you all the best for your future teaching career.

At assembly this week I spoke to our students about absences. To date our students have had 296 days away from school from 29th Jan to 10th August. Our school attendance data is usually exceptional sitting at 96% attendance rate. This year is has dropped significantly and it is an area that I will be required to justify as part of our Annual Report to the Department and our school community. If your child is genuinely sick then obviously we don't want them at school and they need to be home recovering. However, other "token" days need to be stopped. I am seeking your help to address this concerning issue.

Thanks to Tracy Blake, Annette Hunt & Amy Keat who packed our pie orders last week. Well done team!

I would also like to thank Katie Risicato for covering our new readers.

KIALLA UNITED ~ GRADE 5 & 6 FOOTBALL ROUND 12 RESULTS

The second of our Footy Feasts took place under clear skies at the Kialla West Rec Reserve on Saturday in front of a large and vocal home crowd. After watching our Div3 teams share the honours against their opposing teams the Div2 boys were determined to finish the day on top and really give the crowd something to cheer about. Our boys started slowly in the first quarter though as a lack of discipline and at times sloppy entry into the forward line cost them and gave their younger, quicker opponents some hope of an upset, the only highlight of the quarter being a freakish goal from the boundary by **Noah Ryan**. The second quarter however saw a return to the style of footy we're accustomed to and the boys started to assert their authority with Jack Hooper and the returning Jack Telford really setting the tone. **Xavier Scott** was proving to be a revelation up forward as he managed to snag a couple of goals prior to half time as did Rhys Ferrier (their first for the year) while **Thomas Kerr** was again brilliant, racking up possessions all over the ground. With Jack Morcom the focal point up forward in the third term (as the only player not to have scored a goal yet this season) the boys really focussed their attention on passing to a teammate in the forward line instead of just bombing it in, creating more scoring opportunities for all. With that mission accomplished and the game well in hand the last quarter was a bit of a procession as **Lachie McCully**, Jayden Dhosi, Hayden Brock and Bryson Willsmore took charge to seal the result and keep their enthusiastic opponents at bay.

Final scores: Kialla United 17 10 112 to St Georges Road 2 2 14.

Goal Scorers: Lachie McCully 4, Bryson Willsmore 4, Jayden Dhosi 2, Noah Ryan 2, Rhys Ferrier 2, Xavier Scott 2 and Jack Morcom 1.

Classroom WRAP

F/1/2 Gamble

We are practicing our oral reading strategies. Foundation students are pointing to the words as they read along. Most of the Grade 1s and all of the Grade 2s are tracking the print with their eyes. They are practising reading smoothly without finger pointing.

3/4 Baker

We are looking at the main idea with our reading. In writing, we have been researching and developing animal reports. In integrated, we have been looking at the First Fleet and the events that took place.

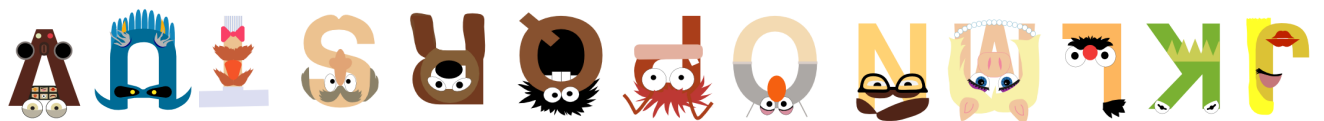

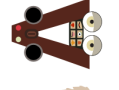

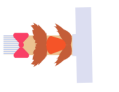

5/6 Zito / Irwin

We have been doing biography writing. Everyone did a biography on Nelson Mandela and now they have a free choice. Chance & data is our maths focus. The students are enjoying surveying class mates to collect their data and then present it as a graph. For integrated studies (History) we are doing Colonial Australia in the 1800s.

Design & Creativity Technology ~ Miss H & Mrs O

Our current design brief is to make a bird feeder. Using a 2 litre orange juice container as the base, all of our students are making a bird feeder. We will be hanging our complete feeders in our trees at school before sending them home at the end of term.
