Last week we were expecting a visit from Harold and the Life Education Van. Unfortunately, the Life Ed Team have been unable to recruit a teacher to take on the Life Ed van role which has resulted in school visits being cancelled. I know we had quite a few disappointed students especially our Grade 6's who didn't have a chance to say goodbye to Harold!

Yesterday, I sent home our 2016 Kialla Central Primary School Parent Feedback Survey. Each year, I ask parents for their feedback about our school. There are a number of questions covering a variety of topics that I am seeking a greater insight into your perspective as parents. I have deliberately only given you this week to complete the survey to encourage you to do it straight away and get it back to school before the holidays. It is confidential, however, you do have the option to identify yourself if you would like to. This information is valuable. It provides us with the opportunity to celebrate what we are doing well and to know what we need to do in the future.

I would like to take this opportunity to thank you for your contribution to this process. I will collate the results and share them with our school community next term.

I would like to take this opportunity to thank Lisa Irwin for the fantastic job she has done while Joanne Stonehouse has been on Long Service Leave. Lisa spent a number of days training with Jo prior to her leave. The Business Manager role is vital to the operation of a school. I would like to welcome back Jo and I look forward to hearing about her Canadian adventure.

This coming Friday is our annual Footy & Hot Dog Day. Students are encouraged to wear their footy colours. After recess Heather Adderly will announce the K.C.P.S. Footy Tipping Competition results, then the students will participate in footy activities before enjoying a Hot Dog lunch. Order form attached.

Friday 16th September is also the last day for Term 3. Students finish school at 2.15pm. Our bus will be leaving K.C.P.S. at 2.15pm to do its normal run but will be an hour earlier. Outside School Hours Care Program will operate from 2.15pm until 5.00pm. Please ensure you have alternative arrangements in place to cater for these changes of times.

There have been a couple of cases of head lice reported this week. Once again, I cannot stress strongly enough the importance of every family being vigilant in checking their child’s hair regularly. If your child’s hair needs to treated please do so and then let the school know. Once your child has been treated and there are no live louse, they are allowed to return to school. Thank you for your support with this matter.

Finally, I would like to wish Leah, Will and the Kerr family all the best for their move to Echuca. The Kerrs have been actively involved in our school community for a number of years. Tina is also a member of our School Council. Thank you for your contribution to K.C.P.S. Good luck!

Hot lunches finish for the year on Thursday 15th September. Thank you to Kasey & Gemma for being our fantastic hot lunch monitors.

Wide brimmed hats are compulsory Term 4.

Enjoy the holidays and make sure you take some time to recharge those batteries ready for a busy Term 4. Thanks for a great term!

Debbie Humphries
Proud Principal of K.C.P.S.

Team Player Award

Congratulations Charlee K on being this week’s winner. She simply goes about her business ensuring everyone is okay. She a friendly and polite student who looks out for others. Now Charlee simply takes up her certificate to the Shepparton Market Place store and she will receive a free Boost Juice.
