## Website Update & FB Post ~ Friday 10<sup>th</sup> April 2020

Following advice from the Department of Education and Training we will be moving to remote and flexible learning from Term 2, to help slow the spread of coronavirus (COVID-19).

***This means that all students who can learn at home must learn from home. This is a very clear directive from the Victorian Government based on the advice of the Chief Health Officer.***

We are still required to offer limited on-site learning for those students who need to access this, including for students on days when they are not able to be supervised at home and no other arrangements can be made. I am currently working through the latest documentation provided by the Department and I will provide further information about this as soon as possible.

The Department's latest advice on coronavirus can be found at  
<https://www.education.vic.gov.au/coronavirus>

It is important that we work together and support each other during this challenging time. I will be in touch with staff, parents and carers as soon as possible with further details of what remote and flexible learning will look like at Kialla Central Primary School.

In the meantime, you might find it useful to look at the Department's Learning from Home website. It provides resources and guidance for teachers and parents and carers.  
<https://www.education.vic.gov.au/about/department/Pages/learningfromhome.aspx>

Please continue to stay safe and healthy.

Debbie Humphries ~ Proud Principal of K.C.P.S.
