

2021 Foundation Enrolments

Kialla Central Primary School (K.C.P.S.) was founded in 1874 and is approximately 11 kilometres south of Shepparton.

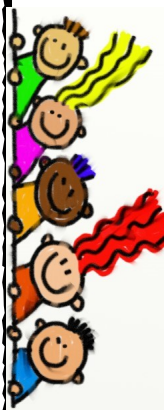

Our school has a strong sense of pride, ownership and community.

Kialla Central offers a friendly, safe environment where students are treated as individuals and parents/carers are made to feel welcome.

Our school, in partnership with our families, is committed to educating all students, encouraging them to be lifelong learners and responsible citizens.

Due to the restriction of COVID-19, we are unable to host our face-to-face information sessions and tours for prospective new families.

We are in the process of developing a virtual tour of Kialla Central Primary School that will be posted on our school website and Facebook page. In the interim, please contact the Principal Debbie Humphries on 5827 1373. Debbie will outline what Kialla Central Primary School offers students and families. She will also email you a copy of our 2020 Information Book.

KIALLA CENTRAL PRIMARY SCHOOL

Address: 128 Central Kialla Road, Kialla
