Dear Parents/Carers,

Kialla Central Primary School is looking forward to another great year of teaching and learning and would like to advise you of Kialla Central Primary School's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through making payments, fundraising and/or volunteering your time. This makes a huge difference to our school; in the resources we can provide and the programs we can offer. We look forward to your continued support in 2022.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Debbie Humphries
Proud Principal of K.C.P.S.
