

FIRST AID POLICY

Approved by Principal and presented to staff February 2023 ~ recommended review of 3 to 4 years.

PURPOSE

To ensure the school community understands our school's approach to first aid for students.

SCOPE

First aid for anaphylaxis and asthma are provided for in our school's:

- *Anaphylaxis Policy; and*
- *Asthma Policy*

This policy does not include information on first aid requirements for COVID-19. Our school follows the Department's operational guidance for first aid management relating to COVID-19.

POLICY

From time-to-time Kialla Central Primary School staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

STAFFING

The principal will ensure that Kialla Central Primary School has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training.

This list is reviewed on an annual basis as part of the annual review of our Emergency Management Plan.

FIRST AID KITS

Kialla Central Primary School will maintain:

- A major first aid kit which will be stored the red cabinet in the sick bay.
- 3 portable first aid kits which may be used for excursions, camps, or yard duty. 2 are stored in the red cabinet in the sick bay. The yard duty bag sits on the bookshelf at the end of the library.
- Playgroup's first aid kits is maintained by the school.
- TheirCare (OSHC Service) have their own first aid kits of which they are responsible for maintaining.

Tracey Opie (Education Support) will be responsible for maintaining all first aid kits, ensuring they are managed in accordance with the Department's policy and guidance on first aid kits – refer to [First aid kits](#), as deemed practical and affordable for our school context.

CARE FOR ILL STUDENTS

Students who are unwell should not attend school.

If a student becomes unwell during the school day, they may be directed to the sick bay and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

Our school follows the Department's policy and guidance in relation to our sick bay to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#), as practicable.

FIRST AID MANAGEMENT

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.

- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero “000” for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Kialla Central Primary School will notify parents/carers by sending home a first aid notification form and or may follow up with a face-to-face conversation or phone call to the parent/carer.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment has been administered to a student Kialla Central Primary School will:
 - record first aid in the first aid diary and an illness /injury medications form will be sent home to parents/carers. These are stored in the red first aid cabinet.
 - if care was provided in response to a medical emergency or reportable incident, follow the Department’s [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department’s Incident Support and Operations Centre on 1800 126 126 where required to under that policy.

In accordance with Department of Education and Training policy, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury. For further information refer to the Department’s Policy and Advisory Library: [Medication](#)

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Available publicly on our school’s website.
- Included in staff induction processes and staff training.
- Staff know where to locate hard copies of our policies in the administration area.
- Discussed at staff briefings/meetings as required.
- Referenced in our annual K.C.P.S. Information Book for parents/carers.
- Hard copy available from school administration upon request.
