

K.C.P.S. FAMILIES ARE KEEPING BUSY

Our families have been very creative and have been keeping very busy. Thank you to everyone who sent these suggestions in. Would you like to try ...

- making postcards for their friends
- do a high 5 hunt (trace your hand, cut out, write a nice affirmation in the back and hide in the garden, high 5 someone and say the words when you find it)
- cooking and making fractions
- mainly gardening and games
- lots of bouncing on the trampoline
- hitting golf balls
- making weird crafty things
- kite making & flying
- rainbow drawings in the window as part of the rainbow trail and teddies outside for the big bear hunt
- walking and bike riding
- making cubbies
- backyard camping
- baking
- playing board games, puzzles etc.
- table tennis competition (lots)
- trampoline routine competition
- canvas painting & painting
- basketball shoot-out
- weed pulling
- hair dressing
- been down to the creek
- making pizza from scratch
- bringing virtual animals into our own homes (instructions available)
- ant farming - we've all been enthralled with an ant farm which was a birthday present
- lego/duplo creations
- handwritten letters to cousins in NSW which we posted
- plenty of time outdoors with this lovely weather
- a short drive to the end of our road and went on a bush walk scavenger hunt - printed off google

An impressive list K.C.P.S. well done!
