12th	13th School Concert & Presentations	14th	15th	16th

Week 1 of Term 4 complete and I would like to acknowledge what an **amazing staff we have here at KCPS**. With staff on leave and on camp there has been a number of changes to the timetable, additional yard duty, staff working extra days and staff re-arranging their workdays. Our staff are truly committed to providing the best experiences and outcomes for our students. Thanks also to our students who have managed very well with changes to the timetable and staff.

It is with **great sadness** that we share with the school community of the sudden passing of our Outside School Hours Care Co-ordinator Patsi's husband John. Our deepest condolences go out to Patsi and her family at this difficult time. OHSC has been able to run as normal, once again due to the commitment of staff as well as the support of one of our casual relief teachers Mrs Su Neilsen. For families that use the before school care service we have made the decision to facilitate the service from 7.30am until Patsi's return. If families need care earlier than this please contact the office so we can put care in place as needed. Thanks for your understanding.

The OSHC program is running as normal in Patsi's absence, however please understand there will various staff assisting with the running of this program until her return.

Congratulations to our Year 3/4 Billabong Ranch Campers who did a fantastic job representing KCPS and upholding our school values. They shared and gained KNOWLEDGE, built CONNECTIONS with different peers and staff, PARTICIPATED in all the activities and experienced SUCCESS! A big thank you to Mr Zito and Mrs Opie for taking time out from their own families to support our students. Our photo section in the newsletter shows some of the amazing activities and experiences our students got to do whilst on camp.

Today as part of the **Year 6 Transition to Secondary School**, we had a visit from Mr Mitch Jones and Ms Belinda Petty of Greater Shepparton Secondary College to speak with enrolled students and our staff. This was a great opportunity for students to hear from the GSSC staff, share a little bit about themselves and ask any questions.

Notes for the Year 5/6 Melbourne Camp were handed out last week, please return these as soon as possible to assist with planning and organisation. The Foundation/1/2 camp notes will be distributed soon.

Student Absences

Thank you to those families who are using **COMPASS** to mark any student absences. This small task on your part makes such a big difference to our workload, so that we are not having to follow up with conversations and phone calls. Whilst it is helpful hearing from a siblings, this task is a responsibility of parents to ensure it is recorded accurately. Please note that if your child is absent for more than one day, you need to put the absence on for each day. This can be done by changing the return date or you can get on daily and mark. Your assistance with this would be greatly appreciated.

Deanne Moulsdale

(Acting Principal)

Mango Orders
Due: Wednesday 21st October

Pizza Lunch Orders
Due: Monday 26th October
