A big **welcome to Mrs Sarah Simmons** who started teaching in the Year 3/4 classroom last week and will remain Mon-Wed until Miss H's return. She has settled well into the classroom routines, and the students have responded well to the opportunity of working with someone new.

Next week Year 6 students who are attending Greater Shepparton Secondary College in 2027 will have the opportunity for a **'Taster Session'**. This will be on Tuesday 27th October from 12.45pm -2pm. All GSSC students have a curriculum Day, this provides a fantastic opportunity for our Year 6 students to experience the College in a quieter and more relaxed environment, giving them the chance to explore the campus with greater confidence.

Parent's Club are kindly organising a **pizza lunch** for next **Wednesday 28th October**. Please note orders must be in by **Monday 26th**. NO LATE ORDERS will be accepted.

As we recently celebrated the success of the Year 3/4 camp, staff have also continued with the organisation of the **Foundation/1/2 and Year 5/6 Camp programs.** Notes have gone home and need to be returned as soon as possible. Whilst the Year 5/6 students are off to experience what Melbourne has to offer the F/1/2's will come back to school for an activity afternoon/evening on the **Thursday 5th November**, followed by a local excursion on **Friday 6th November** to the All Abilities Playground at Victoria Park Lake. Only the Year 2 students' sleepover at school on the Thursday night. Lots of fun times ahead for our students!

With the **Melbourne Cup long weekend** fast approaching, a reminder that **Monday 2nd November** is a student free day for Report Writing and **Tuesday 3rd** of **November** is a Public Holiday. Families please be aware that **NO OSHC** will be offered on the Monday as at this point we are not in a position to staff it whilst Patsi is on leave.

**General reminder:** Students are continuing to wear jewellery, have long painted nails and many girls do not have their hair tied back.
**Jewellery** – students can only wear a watch and stud or sleeper earrings. A religious bangle is permitted upon discussion with the school.
**Hair** – We encourage long hair to be tied back to assist with the control of headlice.
**Nails** – long painted nails inhibit some learning tasks, can be dangerous in the yard and during PE activities.
Families, please note that students will be asked to remove jewellery/tie back hair. If this could be monitored and encouraged at home it would be greatly appreciated.

The warmer weather is finally with us. 😊 Students are required to wear hats outside and are encouraged to wear **sunscreen**. Please check that names have not warn off **jumpers** as they've been through the wash. Names make clothing easy to return to students.

Parents' Club will be hosting a cake stall and BBQ at the upcoming state election on **Sat 28th November**. Information will be sent home next week.

Deanne Moulsdale
(Acting Principal)

# ~ CLASSRROOM WRAP ~

## F/1 MOULSDALE

Our SMART Foundation word of the week is 'queen' and sentence 'The queen had so much fun on her holiday.' The spelling group focus is 'ee' as in queen. In maths we have spent the last two weeks exploring money. Students' have loved getting coins for their class piggy bank instead of nominations as a reward for reading at home, success in learning and positive behaviours. This week we start the topic of division and making fair shares. I have completed lots of Kinder visits over the past two weeks in preparation for our 2027 Foundation students. This is a real eye opener as to just how far the Foundation/One students have each progressed!

## 2 DAFFY

This week our spelling focus is /ll/ like in bell. Our literacy focus is on different types of vocabulary you might find in a narrative text. In particular we are exploring descriptive language like adjectives and similes. We are working on division in maths and using concrete materials to model equal shares. We know that sometimes we need to work out the number of groups needed and sometimes the number in each group. We are also learning how to record number sentences with remainders.

## 3/4 SIMMONS/ZITO

It has been a busy start for the 3/4s this term. After an amazing time at camp, we have been quick to get back into the classroom routine again. As much as we have all missed Miss H as she travels the world, we have been very lucky to have Mrs Simmons from Monday to Wednesday who from all reports has been enjoying her time! I'm sure this will last.

Our spelling focus this week is the trigraph /our/ making the sound "eh" as in colour and in writing we will begin diving into a unit on Information Reports. Mrs Simmons will be working through Fractions over the next few weeks for her maths focus, whilst Mr Zito will be focusing on Angles and Transformations for the applied section of mathematics. Thank you to all the parents that have been supporting their child with their nightly reading.

## 5/6 BAKER/O'DONNELL

5/6 Spelling Focus this week is the digraph /ou/ making the sound "eh" as in famous. We have started our Home Reading Challenge again for this term. A reminder that students must read each night, have their diary signed and bring it in to school each day to continue in the competition. Good luck to those students remaining. Students that have bombed out already, please continue to bring yours in at least 3 times during the week. In Maths, we are returning to fractions and consolidating our skills and knowledge in this area. Our Year 6 students heading off to GSSC next year were lucky enough to have a visit from some of the GSSC staff last week! They shared a fantastic presentation about life at GSSC, giving our students a glimpse into what they can look forward to as they take this exciting next step in their education. An exciting but busy term ahead for everyone. Let's have an awesome last term together for 2026!
