14th	15th School Concert & Presentations	16th	17th	18th

This week's newsletter contains updates for the fast approach of week 5 & 6.

Firstly, **thank you to our Parents' Club** members Brooke and Julie for volunteering their time to host another Pizza Luch for our students. It is always well supported by our families.

In **WEEK 5** we **welcome back Miss H** from her long service leave. We trust that she will be well rested from her holiday adventures and have much to share about her experiences.

A reminder that Monday 2nd November is a **student free day** for Report Writing and Tuesday 3rd of November is a **Public Holiday.**

On Wednesday 4th November we look forward to the **return of Patsi to OSHC**. Whilst we have very much appreciated the consistent support of Su Neilsen and school staff, our OSHC students will be very excited to see Patsi's friendly face.

In week 5 it is time for the **F/1/2 Camp Experience**. After school on Thursday 5th November students will return between 5pm and 8pm, for an activity afternoon/evening and dinner. The Foundation/One students head home for the night whilst the Year 2 students stay for a sleepover! On the Friday the Foundation/One students return for breakfast at 8am then we are off to the All Abilities Playground at Victoria Park Lake. We return to school for music and activities before finishing our day at 1.30pm. Students must be picked up from school unless prior arrangements have been made with regular Outside School Hours Care users.

WEEK 6

Monday 9th November is **our first Foundation Transition** to school session. Students will arrive at 8.45am and be picked up at 12 noon. We are welcoming a total of 10 students, 6 girls and 4 boys. This includes 6 siblings and 4 new families to KCPS. Our 2027 Year 5/6 students will be informed of their big buddy roles before the day.

Wednesday 11th November is Remembrance Day. Junior School Council will be selling **poppies for $2** from Wednesday 4th November to acknowledge this special day and raise money to support current and former service personnel and their families.

Friday 13th November Junior School Council is hosting an **out of uniform day**.

Students are encouraged to wear **crazy socks** and bring a gold coin donation.

Before signing off this week's newsletter I again want to acknowledge the fantastic staff, students and families we have at KCPS. Filling Miss H's 'shoes' was always going to be difficult given the dedication and experience she brings to the role.
I am thankful for the opportunity to lead and for the support of the KCPS team but warmly welcome Miss H back so I can return with 100% focus to my 'happy place' in the classroom. 😊

Deanne Moulsdale
(Acting Principal)

Reminders
Grade 5/6 camp notes are due back Wednesday 4th November.

Election Day Cake Stall & BBQ is Saturday 28th November.

~ CLASSROOM WRAP ~

F/1 MOULSDALE

Our Foundation word of the week is 'swan' and our sentence 'Where can I see a swan? What do they look like?'
In maths we have continued with division and sharing a collection of objects with more than two people. The F/1's would like to introduce Fluffy, the newest member of our classroom. Fluffy is there to help us if we need some extra support with a cuddle, and to listen to us during reading time!

2 DAFFY

Our spelling focus this week is /ur/ like in fur. We are continuing our work on narratives with a focus on setting. We are writing our own narratives and remembering to include descriptive language and a complication or event to make it interesting. In maths we are showing what we have learnt about division and begun a unit of work on shapes.

3/4 SIMMONS/ZITO

This week, our spelling focus is the quadgraph /eigh/, making the "a" sound as in 'eight' and the split digraph 'a-e', as in 'cake'.

In writing, we will continue exploring information reports; we have completed our researching and will move onto learning about their purpose, structure and other key features. In mathematics, students will continue working on fractions with Mrs Simmons and move on to shapes and solids in applied mathematics with Mr Zito.

5/6 BAKER/O'DONNELL

5/6 Spelling Focus this week is the digraph /gn/ making the sound "n" as in sign. In Maths, we continue exploring fractions, looking at converting to decimals and percentages and applying % off discounts to find the new value. Our Year 6 students who are heading off to GSSC were able to attend a Taster session on Tuesday 27th to have a look around and get a feel for the school. We look forward to hearing all about it. Not many Fridays and opportunities left to practise for our End of Year concert. It's important that students are practising at home and are participating well during their Performing Arts sessions, so they feel well-rehearsed and ready to perform for our families and local community. Have a great week!

Gundja Woka Wala Launch Celebration

Friday 13th November **6pm-8pm**

Kaiela Arts 530 Wyndham Street, Shepparton
