2019 TERRIFIC KID FOR APRIL

Rose ~ Grade 5

For being a positive and considerate member of
our School community.

Congratulations Rose!

This week we have our **swimming program** at **Aquamoves**. As a result, there are a few changes to our regular timetable. We have lunch from 11.00am to 11.45am. We leave school at 1.00pm and return at approximately 3pm. All students are required to go to the pool, even if they are not swimming.

Parents are welcome to attend our pool sessions which are from 1.30pm to 2.30pm.

If you are picking your child up from the pool, please let us know in advanced so that your child has their school bag and for transport arrangements. We may only require one bus to get back to school which will save us with transport costs.

This year parents who are picking up their child/ren from the pool, must have their child/ren's name marked off by the staff member who is supervising the students after they have changed. Please note: if you are not at the pool by **2.45pm** to collect your child/ren they will be returning to school with us. Thanks for your co-operation.

Last Friday our students in Grades 3 to 6 participated in the **EGPSSA's Cross Country** at Lake Victoria. We are now one of only a couple of schools who send all of their students in Grade 3 to 6 students to experience this event. The 10 and under age groups had to run 2000m and our 11, 12/13 year old age groups had to run 3000m. The top 10 place getters of each age group qualify to go onto the Division Cross Country on Friday 10th May at Princess Park. I would like to congratulate: **Tayah, Maggie, Emily, Jack, Amali and Lily M** who have all qualified and wish them all the best for Friday.

On Sunday we held a **Working Bee** and what a Working Bee it was. We completed the following

jobs: we cleaned up the zinc shed and shed behind the toilet block; fixed the sandpit, spread the new soft fall, levelled out the cubby house area, re-mulched the front gardens, trimmed the trees that had low lying branches, cleaned up the library area, cut the shelf in the staffroom so the fridge fits, blower vacced and a general tidy up.

None of these jobs could have been completed without the support of our families and their willingness to supply the tools and equipment that were required. I would like to sincerely thanks: **Tim Daws, Ben Perry, Darren Healey, Curtis Laidlaw, Bonnie Morgan, Bob Scott, Damien Hunt, Matt Irwin, the Bruinier family, the Blake family, Deanne Mouldsdaile, Tracey Opie, Lisa Irwin** and all the kids. Our school is looking so much better and some long term jobs are now complete.

Last Wednesday our **Pie Drive Fundraiser order** arrived. I hope you are enjoying your winter treats! A big thank you to **Tracy Blake, Annette Hunt and Stacey Rae** for packing all of the orders as this was a massive job.

Next Tuesday 14th May we will be starting our **Hot Lunch** program. Students have the opportunity to bring a lunch that can be heated up in our pie warmer on **Tuesdays and Thursdays**. Some of our grade 5 and 6 students are responsible for our hot lunch program. To help them please do the following:

- # **No frozen food** ~ please thaw any frozen products as this affects heating times;
- # Please **wrap food tightly** in foil, keep it flat and **clearly name** your child's lunch; &
- # Let your child know they have a hot lunch so they can put it in the tub when our monitors come to collect the hot lunches.

Today our Grade 6s were given information regarding **Year 7 Open Day, Information Nights and Placement Forms**. I encourage you to attend these sessions which are taking place next week. I will be attending the 7.00pm session on Wednesday 15th May.

Information about **NAPLAN** for our Year 3 and 5 students has been sent home today. It outlines what the National Assessment Program ~ Literacy and Numeracy is all about.

HELPERS REQUIRED

This is an opportunity for all of our families to meet each other and help K.C.P.S. raise some money for our major project of re-vamping our eating area. Helpers are required for the following:

Federal Election Cake Stall ~ Saturday 18th May
We need at least 2 more helpers for the 9.30am to 11.30am and the 11.30am to 1.00pm time slots

Bunnings BBQ Helpers ~ Sunday 26th May
8.00am to 10.00am ~ x1 helper
12.00pm to 2.00pm ~ x4 helpers
2.00pm to 4.00pm ~ x4 helpers

In Design Technology, our students have been extremely busy making their **Mother's Day** presents. These will be sent home on Friday and hidden in a secret spot until Sunday. Thank you to Mrs O for her artistic talents and help in creating these unique and special gifts. I hope you enjoy them. We would like to wish all of our mums a very happy **Mother's Day!** Enjoy your special day!

CLASSROOM WRAP

F/1 Mouldsdale

Our SMART Spelling word of the week is 'jam', whilst the Grade 1s are investigating 'k' as in kitten.

In maths we have been using our 'super hero eyes' to see numbers (subitise) rather than count by ones.

1/2 Baker

Our SMART Spelling focus is 'ey' making the sound 'e' as in key.

In writing, we are looking at the structure of an Information report.

We are continuing to look at addition and subtraction strategies.

3/4 Posteraro

We are exploring the trigraph 'ear' as in dear in SMART Spelling.

Prediction is our reading strategy focus this week.

In Maths we are exploring time.

5/6 Zito

We are beginning to introduce our Reader's Notebook this week.

Our Maths focus will continue to be Volume.

Learning by Doing Incursion

Last Thursday 2nd May, we had a incursion with **Learning By Doing** which is a woodwork experience. All of our students got to use hand saws, hammers, sand paper and work on a mini triton work bench. Each grade made a different model:

F/1 ~ Rocket, 1/2 ~ Speed boat, 3/4 ~ Windmill and 5/6 ~ Racing Car.

Students will be decorating their models in Design Technology and displaying their models before sending them home later in the term.

There will be more photos in next week's newsletter.
