On Friday we had Richard Bryce and Jenni Gibson, from the Shepparton Education Plan, here recording our promotional video. Richard took a broad range of footage to capture what Kialla Central Primary School has to offer as well as interviewing parents, students and staff. I would like to thank our students: Alyssa, Methaab and Will S (F/1), Remi and Fraser (1/2), Ainslee, Archer, Clementine and Emerson (3/4), and our School Captains Gemma and Matilda for their contribution. Thanks to our parents: Andrew Kay, Leesa Dyer, Nathan Powell and Bronwyn Burns who spoke passionately about K.C.P.S. To Mr Zito and Mrs Blake I appreciate your views as staff as well as parents. We wait in anticipation to see what the final edit looks like, which will be available by the end of this week.

We also have developed a new flyer, featuring Henry and Annabelle, for our upcoming School Tours and information sessions on **Wednesday 2nd July**. A QR code for the video and the flyer will be posted on our website, FB page and have a QR code for the video on promotional tools such as flyers and our newsletter.

Flyers will also be distributed to a variety of kinders and a letterbox drop through Australia Post to expand into the new housing estates, hopefully this will encourage families to at least come and visit K.C.P.S.

**Semester 1 Reports** will be released to parents / carers on **COMPASS** on **Tuesday 1st July**. Please ensure you have read your child's report with them before attending our Parent/Teacher Interviews. **Our Foundation** and any **new students to K.C.P.S.** will receive a printed copy of their report and our K.C.P.S. Display Folder.

**Parent/Teacher interviews** will take place on **Thursday 3rd July** starting at **3.30pm** with the last booking at **6.45pm** for a **7.00pm** finish, and **Friday 4th July** from **8.30am** until **1.00pm**. This is an important opportunity to discuss your child/ren's progress and future learning. It is expected that all families will attend a P/T interview during the allocated days and times. Families will book their interview time on **COMPASS**. Students are expected to attend their interviews with their parents/carers. Bookings will open **Wednesday 18th June** at **4.00pm**, first in best dressed. How to book your interview guides are on our website.

**Term 2** will finish on **Thursday 3rd July** at **3.15pm** and **Term 3** begins on **Monday 21st July**. **Week 1** students will have borrowing from the **MARC** truck on **Wednesday 25th July** from

**12.30pm and Performing Arts on Friday 27th July.**

It is fantastic to see so many families coming to our Playgroup on Wednesdays from 9.00am to 10.30am. We have had a Mum's group start with us this term as well as other new families as well as our regulars. The Karramomus Room certainly has a buzz about it which is great to see. A big thank you to **Leesa Dyer** for looking after our Playgroup families.

We received some great media coverage on **The Shepp News Stream** on our First Responders thank you morning tea and dress up day. I have included the post in this newsletter.

As we are approaching the end of the term it is time to think about a uniform order. Please see attached form for you to place an order, many families still have their School Bonus Saving credit to use. I am starting to see some variations in our school uniform which does not comply with our uniform policy. Jumpers or jackets that get lost are easily returned if they are clearly named with your child's name. Your assistance is appreciated.

I also noticed in Target, Best & Less and Big W they have long sleeve gold polos. If your child is a cold frog and needs a long sleeve under their school polo these are perfect and are an acceptable match for our uniform.

Debbie Humphries ~ Proud Principal of KCPS

## Round 14 with Magic Magpies

### Thursday 12th June

The **Bulldogs** were fierce against the **Saints** on Thursday night at Marvel Stadium. The **Doggies** ability to release the ball to a runner from the contest was a game breaker. While the **Saints** went with the **Bulldogs** in terms of clearances, it was their second layer that gave them the upper hand. The return of Darcy to the **Bulldogs** made a difference with him contributing 3 goals to the scoreboard, with the final score **20.12 (132)** to **8.12 (60)**. The **Dogs** have now beaten the **Saints** by a combined **143 points** this year.

### Friday 13th June

The battle between the **Hawks** and the **Crows** shaped up to be a game where we would learn a lot about where these 2 sides are at in the race for the finals. We got a hard-fought, inaccurate slog, and it left more questions than answers. Thirteen consecutive behinds were kicked between the two teams across the third and fourth terms, as a number of players failed to take an opportunity to apply scoreboard pressure. In the final few minutes the **Hawks** secured a three-point win **6.11 (47)** to the **Crows 5.14 (44)**.

### Saturday 14th June

Trailing by 21-points during the first half, the **Giants** overran the **Lions** after the main break, holding on from a late **Lions** rally to win **17.5 (107)** to **13.18 (96)**. It was a ball movement clinic from the 'Orange Tsunami', repeatedly pushing the **Lions** on turnover as they swept the ball from one end of the ground to the other to generate scores. For the second week in a row the **Lions** inaccuracy has ultimately cost them the game. Hmm, **The Banana Bender** must be on holidays as he has been very quiet lately.

The **Cats** made light work of the **Bombers** on Saturday afternoon, thrashing the **Bombers** by a massive **95-points** in front of a crowd of 61,643 at the MCG. **Jeremy Cameron** was on fire with a game-high **6 goals**, whilst the AFL's larger than life **Bailey Smith** made a successful return from hamstring tightness collecting **41 disposals** and racking up **760m** gain in the **Cats 23.13 (151)** to **8.8 (56)** win.

The **Dockers** survived an almighty scare from the **Kanga** at Optus Stadium on Saturday night, clinging on to record a desperate **six-point** win after a match-saving mark from star forward **Josh Treacy**. The **Dockers** had a **28-point** lead mown down in the 4th quarter by the determined **Kangas** and led by just one point in the final minutes when star ruck **Luke Jackson** stepped up to snap a critical goal. The **Kangas** had a chance to draw late in the game but were outnumbered in the contest.

### Sunday 15th June

The **Demons** continue to dwell at the bottom end of the ladder after a third consecutive defeat, anchored in 14th spot and, after the bye, facing games against finals-bound **Suns** and **Crows**. The **Dees'** inaccuracy continues to cause issues for them recording more behinds than goals for the ninth time this season. Frustration continues for the **Demons** Captain, **Max Gawn**, who again was the in the best for his team. **Power 14.9 (93)** to the **Demons 9.14 (68)**.

The **Blues** set up Sunday night's win with a dominant first quarter, kicking **7** of their **12 goals** before quarter-time and then kept the **Eagles** at arms length to win **12.14 (86)** to **7.10 (52)**. The **Blues** were fierce with their pressure and clinical with their handball chains early but lost a lot of the flow from their game for the final two and a half quarters as the **Eagles** kicked **six** of the last

## Calling on 000 for morning tea

By Bree Harding

Showing gratitude to emergency services by offering personnel morning tea on Thank a First Responder Day is a valuable exercise. Doubling it up as a learning opportunity further increases its value.

On June 11, the annual national day of gratitude — which was established in 2019 as a way to publicly express gratitude to the hundreds of thousands of first responders across the country who are there for Australians every day — Kialla Central Primary

School hosted members from local services for a cuppa to show their appreciation for all they do in the local community.

First responders are everyday people with families, friends, commitments and homes to go to at the end of their working day, yet they often put their lives and mental health on the line to protect their communities.

The not-for-profit organisation that founded Thank a First Responder Day, Fortem, says "the power of gratitude can have an extraordinary impact on wellbeing and

mental health".

Shepparton police, Ambulance Victoria (Shepparton), Shepparton Search and Rescue and the Kialla CFA were all invited to the school for some sweet baked treats.

But before the cake was cut, the guests showcased their equipment, expo-style, to the keenly interested primary school students and playgroup members.

"Our students have embraced the day by dressing up as a first responder or someone who helps us in the community," Kialla Central

Primary School principal Debbie Humphries said.

"Special events such as these, as well as the other community service activities our students are involved in, are important.

"It provides them with the opportunity to show their appreciation and encourage them to give back to their community when they are old enough to do so, either as a volunteer or in their chosen profession."

The whole school says thank you to first responders.

School captain Gemma Humphrey, Sarah Jones, Nacole Standfield, Gina Sozzi, Matthew Condy, Geoff Stone and school captain Matilda Lines.

Kialla Central Primary School's Playgroup also joined the fun.

### CORRECTION

In an article published on Friday, June 13, *The News* inadvertently used the wrong name for a person we interviewed about Shepparton's PlayConnect+ playgroup.

We spoke to Kylie Van Den Brink, who was explaining the benefits of the program.

*The News* apologises to Ms Van Den Brink for the error.

# EXPRESSION OF INTEREST

## GRAHAMVALE P.S. HOLIDAY PROGRAM

TheirCare, Grahamvale P.S. and Kialla Central P.S. are exploring the possibility of offering access to Grahamvale's TheirCare Holiday Program for the upcoming July holidays.

This expression of interest is designed to determine how many of our families would consider using this program, based at Grahamvale P.S. Patsi works at this holiday program.

If you require further information, such as costs, please see Patsi or contact Carla Goltz, TheirCare Area Manager Shepparton ~ Region 2.
