School Tours and information sessions on **Wednesday 2nd July**. The School Tours flyer with QR code is on our website, FB page, see attached. For your information, our flyer has been printed in colour and has been distributed to Kinders.

### LUNCH ORDER TRIAL THIS WEEK

This coming Friday we are having our Lunch Order Trial with **Fiore's Bakery and Café**. Information and order forms were sent home last week with the eldest child in each family. Orders with correct money must be in by **Wednesday 25th June**, as no late orders can be accepted. Thank you to those families who have already returned their orders.

**Semester 1 Reports** will be released to parents / carers on **COMPASS** on **Tuesday 1st July**. Please ensure you have read your child's report with them before attending our Parent/Teacher Interviews. **Our Foundation** and **new students to K.C.P.S.** will receive a printed copy of their report and our K.C.P.S. Display Folder.

**Parent/Teacher interviews** will take place on **Thursday 3rd July** starting at **3.30pm** with the last booking at **6.45pm** for a **7.00pm** finish, and **Friday 4th July** from **8.30am** until **1.00pm**. This is an important opportunity to discuss your child/ren's progress and future learning. It is expected that all families will attend a P/T interview during the allocated days and times. Families book their interview time on **COMPASS**. Students are expected to attend their interviews with their parents/carers. Bookings opened last **Wednesday 18th June**. If you do not book a time, one will be allocated to you. **Booking close on Monday 30th June**. How to book your interview guides are on our website.

School Council held its June meeting last night. I am very pleased to welcome 2 new members: **Verity Powell** as a parent general member and **Gina Sozzi** (Kialla CFA) as our community member. We still have one vacancy on School Council which I am in the process of filling. School Council play a vital role in Victorian Government Schools and ours is no exception. They

strengthen community confidence in the school as well as help to build and secure the school's reputation. School Council has key functions that are clearly set out by the Department and Ministerial Orders. Thank you School Councilors for the support you provide.

The **July holidays** is a good time for our students in **Grade 3 to 6**, to check and see what stationery supplies & headphones they may need for **Semester 2**. Things run out, get lost or broken and need to be replaced. Students can check with **Mrs Nicholls** or **Ms Taylor** to see what they need. It is also a great opportunity to give Art Smocks a freshen up with a wash over the holidays. Please remember to make sure they come back ready for **Term 3**.

On **Thursday 3rd July** we have 8 students from **Grades 3 to 6** and **Mrs Nicholls** going to a **Chess Tournament** at **Gowrie St Primary School**. This is the first time that we have participated in this event. The **K.C.P.S.** team has been practising at lunch time, honing their skills and strategies. We wish our team all the best and we thank **Mrs Nicholls** for this opportunity.

**Debbie Humphries ~ Proud Principal of KCPS**

## ~ Classroom Wrap ~

### 5/6 Nicholls

SMART spelling focus this week is the graph /i/ making the 'e' sound as in ski. We are nearly finished our class novel and are on track to finish it just as we finish the term. "We are Wolves" is an engaging book about a fairly dark subject, and Katrina Nannestad has received a thumbs up from us. Our focus as a class has been providing more detail in our written responses to text. Everyone has made some improvement. Mathematically speaking, we are finishing up our unit of work on time and look forward to improving our Essential Assessments results (yes, there's a test coming up). We have been pairing up and practicing times tables in small groups. Seems to be working. Finally, we are putting the final touches on our toilet wrappers, as a part of the GV Water Week competition, "Don't Flush It". Thanks to the whole grade for contributions to this newsletter piece.

### 3/4 Taylor

This week in SMART Spelling we are learning about homophones. In Literacy we are publishing our planet information posters. In Mathematics we are continuing to learn about time, focusing on matching analogue and digital time.

### 1/2 Daffy

In SMART Spelling we are looking at the /ch/ digraph like in chair. We are playing with rhyming words and making up our own funny poems. In maths we are focusing on fractions, and how to find a fraction of a group of objects. We know that the parts of a fraction need to be the same size. During Integrated Learning we are finishing our unit on Belonging.

### F/1 Mouldsdales

For SMART Spelling our word of the week is 'vet' and sentence 'The vet will see your pet'. The students had great fun on Monday creating their very own vet bag to care for their pets. Our grade 5/6 buddies also came in to play with us. The spelling focus is /y/ making 'e' as in happy. In maths our focus is 3D shapes.

## PARENT/CARER/GRANDPARENT READING

Mrs Deanne Mouldsdales and Ms Deb Daffy would like to welcome adults who have a Working With Children's Check to hear the Foundation/One/Two students read. There is a nice warm space in the Gallery set up to listen to students one at a time. Tuesdays, Wednesdays and Thursdays work best between 9.00am and 9.30am. Please see De or Deb and they can give you a brief run down of the system and what is expected.

## 2025 K.C.P.S. Footy Tipping Competition

### Round 15 with Magic Magpies

#### Thursday 19th June

Challenged briefly by a weakened **Bomber** side, the **Dockers** flexed their muscle, winning every quarter, and prevailed in a fifth consecutive game win, for the first time since 2022, **16.8 (104)** to **9.9 (63)**. With significant injury issues, the **Bombers** were always going to struggle in the West, but they showed plenty of grit at different stages. They could not compete with the **Dockers'** midfield, however, losing clearances (**44-26**) and inside 50s (**57-34**) by large margins. Time to head north **Bomber 10** your beloved **Bombers** are done for 2025, enjoy the sunshine!

#### Friday 20th June

The **Danger Show**, quite rightly, rolled into G Town this week, celebrating a superstar's 350th game. But the **Lions** weren't interested in bringing a plate to the party, kicking the first four goals of the game to leave the **Cats** somewhat dazed and floundering after a week of **Patrick Dangerfield** festivities. The **Lions** found holes where few can across the narrow GMHBA Stadium and picking their way through the **Cats** with ease to record a thumping **41-point** win **14.8 (92)** to a very inaccurate **6.15 (51)**.

#### Saturday 21st June

The Michael Voss era is in major trouble after the **Blues** conceded eight straight goals against the **Kangas** to be stunned by **11-points** at the MCG. Just 64 days after smashing the **Kangas** by 82-points on Good Friday, the **Blues** went goalless from midway through the first quarter until the 10 minute mark of the third term. Final score **13.6 (84)** to **10.13 (73)**.

The **Swans** overcame a severe case of goalkicking yips to sink the **Power** by **19-points** for a season-reviving away win. The **Swans** triumphed **9.17 (71)** to the **Power 7.10 (52)**. Both teams were very inaccurate in front of the big sticks, kicking a massive **27 behind** to only **14 goals** for the game. It would be a fair assumption that goal kicking may be high on this week's training schedule.

On Saturday night, the **Pies** turned on the jets late to shake off a determined **Saints** outfit. It might be a cliché to say that a home crowd is like having a 19th player on the field, but it was an apt description for the **Magpies** in its **34-point** win over the **Saints**. Ten points up, 10 minutes on the clock, and the 'Collingwood' chant echoed around home-away-from-home Marvel Stadium to propel the **Pies** to put the game to bed. The late flurry of goals off the boots of **Nick Daicos**, **Brody Mihocek**, **Bobby Hill** and **Tim Membrey**.

#### Sunday 22nd June

The **Giants** came back from the clouds to eclipse the **Suns** in a stunning comeback win. The **Giants** surged over the top of a fast-starting **Suns** with a blistering final term to claim a **7-point** victory at Engie Stadium. The **Giants** trailed at the last change but four goals in the opening 8 minutes helped them to snatch the lead for the first time in the game before holding off a gritty **Suns** challenge for a **16.10 (106)** to **14.15 (99)** win.

The **Bulldogs** have had a few issues beating the teams below them this season, and Sunday's easy **79-point** triumph over the **Tigers** always looked like it would be the exception. But tougher test await the Bulldogs, with their 1-6 record against top 8 teams remains the biggest question

mark hanging over them. Everything that makes the **Dogs** a tempting premiership pick (according to the experts) was on show in their **21.9 (135) to 8.8 (56)** win. It's going to be a tough second half of the season for the **Tiges** supporters.

This week the **Crows, Hawks, Demons** and **Eagles** all had a bye. In **Round 17** the **Lions, Bombers, Giants** and **Cats** all will enjoy a two week break as they have a rest this week.

**Star Tippers of the for Round 15:** Five winners was the best our tippers could do in Round 15. Well done to: **G-Towners, gobblues, Speaky Magee 35 and Yellow and Black**. The rest of the tippers got 4 or 3 winners due to the couple of upsets this weekend.

**Round 16** is the last of the split rounds and the last week that the Jackpot will not be won this week.

However, in **Round 17** we will return to the **9 winners** and the opportunity to win the very handy **\$172.50!**

**GOOD LUCK TIPPERS!**
