### 2019 TERRIFIC KID FOR MAY

Emila ~ Grade 5

For leading by example and including others.  
Congratulations Emila!

This coming Friday 7th June we have a Curriculum Day as a Report Writing Day.

Students are not required at school. Please ensure you have alternative arrangements in place.

Don't forget that Monday is a public holiday for the Queen's Birthday Long Weekend.

On Tuesday 11th June we have our school photos with MSP Photography. Envelopes were sent home last week for each student and family photo envelopes with the eldest child. If you would like a School Captains, House Captains, Junior School Council photo different envelope are available at the office. All envelopes need to be returned with payment to school by photo day. Please **do not** direct credit the school account for photos you need to pay MSP Photography directly.

Parent/Teacher Interviews are taking place on Thursday 27th June from 3.45pm to 6.45pm and again on Friday 28th June from 9.00am to 12.45pm. There is no school on Friday 29th June, however, all students are expected to attend their interview. This is an important time to discuss your child's progress and celebrate his/her achievements. A confirmation letter of your time will be sent home in your eldest child's report.

Mr Zito is on leave on Thursday 20th, Friday 21st, Thursday 27th and Friday 28th June. As a result, he will be holding his Parent/Teacher interviews on Tuesday 25th June from 3.45pm to 6.45pm and

Wednesday 26th June 9.00am to 12.45pm.

Parent/teacher appointment time form will be sent home next week and will be due back on Wednesday 19th June. If your form is not returned a time will be allocated to you.

I have noticed that there are a couple of our families and/or extended family and friends, who are driving into our school grounds to drop students off in the mornings, especially when it is wet. I would like to remind you that parents, families and friends can only drive into the school grounds when:

- your child is sick or injured and needs to go home or seek medical treatment; and/or
- pick up from our Outside School Hours Care Program.

There are also parents, family and/or friend, entering and leaving through the back gate (near the Library) instead of out through our main gate in front of the office. These are safety concerns for our students, staff and our families, especially our younger siblings. Your co-operation is appreciated.

Foundation enrolment packs for our siblings will be going home this week. We have 9 siblings starting next year which is very exciting. I have also had two new family from our Open Day

confirm that they will be sending their children here next year. That gives us 11 Foundation students so far which is fantastic.

 **Parents' Club** held their June meeting last night. The next fundraising event is our major one for the year our **Bogan Bingo & Trivia Night** on **Friday 9th August** at the Kialla Hall. We are looking for a couple of big ticket items as well as other prizes for the raffle and auction. If you know someone who we could approach for a donation or would like to donate something yourself please let Lisa or myself know. A donation letter is available to give to businesses and/or any individuals.

Below is an app that was mentioned in a professional learning session called  **Emergency +**. It gives you a map of your location and quick access to emergency services numbers. It is very handy for those who love the great outdoors.

Thank you to **Stacey Rae** who painted the inside of our cubby. She did 2 coats to make sure it is well protected from the elements. Great job Stacey!

On Friday 31st May the **RESPOND Project** from Deakin University came for the second visit. This project involves our **Grades 2, 4 & 6 students**. The 4s and 6s completed a self report recall survey relating to physical activity, sedentary behaviour, dietary intake, sleep, perceived quality of life. They were all measured for their height and weight measured by trained Deakin University researchers. The Grade 4s and 6s were invited to wear an activity monitor. Deakin University will be back next week to collect these.

## REMINDERS

Grade 6s students are **ALL** required to return their Year 7 Placement form regardless of the school they are planning to go to. These were due back last week.

There is an update on the Greater Shepparton College (interim name) in this newsletter.

Uniform order for Term 2 ~ see attached.

# CLASSROOM WRAP

**YES**

**F /1 Mouldsdaie**

Our Foundation SMART spelling word of the week is 'yes'. Grade 1 are focusing on 'y' making the 'e' sound as in pony.

Parents please note I am finding that many students are not remembering their common words, so I am trying a different approach. You will notice the students have a coloured alphabet or word card. Students need to work on automatic response to reading these words before moving to the next common word card.

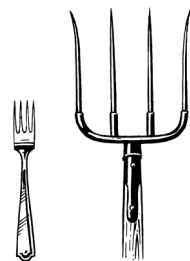

**1/2 Baker**

Our spelling focus is 'or' as in fork.

We are learning the structure of a persuasive piece of writing.

In reading, we are working on retelling the story.

In maths we are exploring 2D shapes and transformations.

**3/4 Posteraro**

Our spelling focus is the prefix 'inter'.

We are finishing our Location unit by making a Treasure Map in Maths.

Congratulations to Tottenham for making it to the Grand Final of the Champions League! Unfortunately, many of us were upset with the final result but they played very well.

**5/6 Zito**

This week we are focusing on the split diagram / a-e /.

In maths we are looking at decimals and rounding numbers.

$$\begin{array}{r} 0.34 \\ \times 4.6 \\ \hline 204 \\ 136 \\ \hline 1.564 \end{array}$$

Two decimal places  
One decimal place  
Three decimal places

**Design Technology ~ Miss H & Mrs O**

All of our students are designing their own board game or card game with the intention of showcasing these to families at a **Games Spectacular** Family night in Term 3.

# GREATER SHEPPARTON COLLEGE – PLANNING THE NEXT STEPS

Shepparton's four secondary schools merge as of January next year to create the Greater Shepparton College (interim name). I'm the Executive Principal, and I want to keep you updated about how we are preparing for that. The merger will be staged over two years. We have created a School Council Advisory Group to assist the four existing school councils and school community with that upcoming transition.

## What is a School Council Advisory Group?

This group represents the school community (school staff, students, parents and community) with 18 representatives.

## Who is involved?

- One parent/community representative from each of the current four secondary school councils
- Four principals (one from each of the existing secondary schools)
- One Department of Education & Training (DET) staff member from each of the current four secondary schools
- Four student representatives, one from each of the four secondary schools
- Executive Principal
- DET Senior Education Improvement Leader

## What do they do?

Contribute to designing the new school uniform and branding

Propose the make-up of the interim school council which will operate in 2020.

Assist with the process of naming the new school

Help develop the new school's vision and values

Work with existing secondary school councils to plan how to honour their schools' histories

Communicate back to each of the four current school councils regarding the merger process

## How often are their meetings?

We will meet every four to six weeks.

## Who makes the final decisions?

The school council advisory group provides advice and recommendations to the existing four school councils, who make the final decisions.

## When will this group start?

Our first meeting was held in April 2019 and will continue until the end of the year when the new interim school council starts operating.

## FINANCIAL SUPPORT FOR NEW SCHOOL UNIFORM

Minister for Education James Merlino visited Mooroopna Secondary College on 16 May 2019 to announce a one-off only payment for students enrolled with Greater Shepparton College (interim name) in 2020, to assist with the cost of a new school uniform.

All government school students enrolled at Greater Shepparton College (interim name) will be provided with a \$200 voucher to be redeemed at local uniform suppliers, so that all students can be wearing a consistent school uniform from the start of next year as we progress with our single school model. This voucher will provide each student with a uniform package consisting of two sets of summer uniform and one set of summer sports uniform.

Parents and students from the four current secondary schools are undertaking a joint process to design the new school uniform. Families will receive their uniform vouchers during Term 4 this year.

## NEXT ROUND OF INFORMATION SESSIONS

Greater Shepparton College's (interim name) vision is to give students the knowledge and skills to thrive throughout their lives.

As a school, we recognise that each student has different strengths, interests and ways of learning and to support these different styles we have developed a broad-based curriculum that will cater to all students. Our focus must be aspirational, for all of our young people and with a strong health and wellbeing focus.

### Round 11 Wrap

The **Sir Doug Nicholls Indigenous Round** continued again in Round 11 where the **Kangaroos** took on the **Tigers** at **Marvel Stadium** on Friday night. On **Saturday** afternoon at the **MCG** the **Magpies** did battle with the **Dockers** which was tipped to be an expected win by the **Magpies**. Unfortunately for the **Magpie** brigade was not to be when the **Dockers** player **Michael Walters**, with 30 seconds to go kicked a goal to give the **Dockers** a **4** point win.

The **Giants** had a big win over the **Suns** at the **Sydney Show Grounds Stadium** winning by **83** points. Gun midfielder **Stephan Coniglio** was the standout player for the **Giants**.
