TERRIFIC KIDS FOR JULY

Emerson & Axel ~ Grade 5

For their leaderships skills and confidence in helping the
F/1/2 students with AUSLAN for Mrs Simmons.

Thank you Em and Axel!

Last Wednesday 29th July we celebrated **National Out of Schools Hours Care (OSHC) Educator's Day** with Patsi Makaronis, our OSHC coordinator. She enjoyed morning tea with the staff and the students who go to the service gave her a card and some chocolates. This was the first time Patsi has celebrated this special day. Thank you for all that you do for K.C.P.S. Patsi!

On Friday 31st July we participated in the **One Tree Per Child initiative** and did some gardening around our school. We have teamed up again with City of Greater Shepparton's Sustainability and Environment Division for this initiative. It was an out-of-uniform day for our students as they embraced weeding, planting, collecting sticks, watering and tidying our front gardens. Each grade was timetabled on to do a section of our garden. All of our students and staff were actively involved and our school looks fantastic. I would like to thank our awesome students and staff for their hard work. Refer to this week's Classroom Wrap.

We are fortunate to have one of our past students return to K.C.P.S on Wednesdays for the rest of this term. **Liam Scott** is completing his Year 12 Work Placement, with a career in teaching on his radar. He will be working with **Mr Zito** across all grades for PE and with **Mrs O'Donnell** in multi-groups for Design Technologies with the F/1/2s. Thank you to Mr Zito and Mrs O'Donnell for supporting Liam.

Our Junior School Council hosted **Jeans for Genes Day** on Thursday 6th August, raising money for the **Children's Medical Research Institute**. Our students and staff wore their jeans and donated a gold coin for this very worthy and important cause. We raised **\$81.00**. Well done everyone, every dollar helps.

It is that time of the year when **enrolments for 2027** are being confirmed, for government primary and secondary schools. The Department of

Education introduced a new enrolment process this year to align primary and secondary schools. For primary schools, parents/Carers now complete an application online. Schools then send out an offer to parents to accept or decline a position at that school.

Our current families with another child starting school next year, should have received an email to accept their enrolment offer. From the parents I have spoken to who have completed this process they said it is an easy process. Currently, we have **nine confirmed Foundation students for 2027** which is a great start.

Speaking of next year, if there are any families who are thinking about moving and/or will be leaving Kialla Central Primary School at the end of the year, please let me know. I am starting to look at grade structures and staffing for next year. Your support is greatly appreciated.

As you are aware, we have our school review on **Thursday 20th August**. In last week's newsletter I shared the composition of the review panel. There is also student, parents/carers and staff focus groups, who meet with members of the panel to share their experiences of K.C.P.S. An invitation to be part of these focus groups, will be sent home as soon as the agenda has been confirmed.

Don't forget our 2026 major fundraiser **TriviaOz Trivia Night** on **Friday 21st August** at the **Kialla District Hall** commencing at **7 pm**. This is an over **18 event**.

Raffle books have been sent home today **\$2.00** a ticket or **\$40.00** for the book, writing on both sides of the ticket. **1st prize** \$200 multi-store voucher, **2nd prize** \$100 Shepp Plant Farm voucher, **3rd prize** \$50 Coles voucher and other minor prizes.

Debbie Humphries ~ Proud Principal of KCPS

K.C.P.S. would like to thank Kylie Hoskin & Melanie McAuliffe from the City of Greater Shepparton's Sustainability and Environment Division for this opportunity. .

FOOTY WRAP Rounds 21

with G-Towner

Geelong (97) def Collingwood (72): The Cats set up their win with a commanding 5 goal first term. In the absence of Dangerfield and Cameron Ollie Dempsey stepped up with 29 disposals from the wing.

Fremantle (78) def Western Bulldogs (41): The Dockers remain undefeated at home this season and have locked in a top 2 finish and double chance when the finals roll around.

Sydney (107) def St Kilda (88): The last 3 games between these 2 sides have been close, and this one was no exception. The Swans were behind for much of the day but charged home with 9 of the last 11 goals to seal victory.

Hawthorn (99) def North Melbourne (83) The Roos were brave once again but there was no reward for their effort. There were 12 lead changes throughout the game but the Hawks were in front when it mattered.

GWS (75) def Port Adelaide (63) The Giants still hold out hope of making the finals after a confidence building win on the road.

Carlton (154) def Brisbane (78) For the Blues it was a huge score, huge margin and huge upset. Brisbane's 7 match winning streak is over and with 16 individual goal scorers Carlton is showing glimpses of what the future may hold.

Richmond (84) def West Coast (73) The Tigers are off the bottom of the ladder after making the most of their opportunities and holding on to the lead and bank 4 points. The Eagles will rue their inaccuracy, kicking 19 behinds.

Melbourne (114) def Gold Coast (105) In a close battle at Carrara the Dees maintained their composure to take the win. It was a disappointing result for the Suns who have now lost 10 on the trot.

Adelaide (145) def Essendon (73) The Crows have cruised into the top 4 after an easy win over the Bombers. The shining light for Essendon was Peter Wright, who kicked 6 goals.

There has been a little bit of jostling on our tipping leaderboard, although Narkle is still ahead by the slimmest of margins. No-one picked 9 winners this week, thanks largely to Carlton's big win over Brisbane. Three rounds to go...

HAPPY TIPPING!
