On Friday 3rd December we held a Curriculum Day, which was a great success. We had the opportunity to review 2021 having an in depth look at our student data and achievements across all year levels. We also started to plan for 2022, identifying areas that we want to investigate, change or trial as well as the areas we want to improve. Debra Daffy joined us for the day which gave the staff a chance to meet her and for Deb to be part of the process and gain an insight into K.C.P.S. It certainly was a very beneficial and worthwhile day. Thank you to the **K.C.P.S. team** for their unquestionable dedication and commitment to the education of all of our students.

Yesterday was Victoria's state-wide Orientation Day, where students transitioning from Kinder to Primary School and from Primary School to Secondary School spend a day or part of a day at their new setting. At Kialla Central Primary School all of our students spent the day in their 2022 class with their peers and teacher. This gives our students an insight into expectations, class routines and a taste of what the following year will be like.

For our new Foundation students, this is the finale to their previous orientation sessions. We were fortunate to have **Miss Debra Daffy** attend the day to meet and spend time with her 1/2 class as well as become more familiar with Kialla Central.

Our Grade 6s were very excited to share their Secondary School stories. They all appeared to have had a fantastic day and are looking forward to their new adventures, as most of their fears and concerns have now been addressed.

There was a very positive feel and an element of excitement across the entire school. Congratulations and well done everyone!

We are hosting our **Grade 6 Graduation on Thursday 9th December**. This is a very important and special time for

our Grade 6 students as they have the chance to reflect on their primary school education, share stories, stop and realise how far they have come and how much they have grown before heading off to secondary school. In keeping with Kialla Central's long held tradition, the students select their theme, colours and menu. Parents' Club then organise tea for the students and staff. Two of our Grade 5 students are the waiter and waitress for the evening serving drinks and food to the Graduates and staff. Thank you to Parents' Club for providing this unique experience for our Grade 6s, especially **Tracy Blake** (President) & **Annette Hunt**.

At **7.30pm** families and friends join us for the formal part of the evening the Graduation Ceremony, of which Mr Z's slideshow is always a tear jerker. Following this there are many photo opportunities, Graduation Bears are signed, more stories shared and we share a supper together. I would like to wish our Grade 6s all the best for their special night! **Please note:** families attending have been notified of the COVID requirements that are in place for this event.

Semester 2 Student Reports will be sent home on **Friday 10th December**. The Department of Education and Training has adjusted the expectations around student reporting for Semester 2 in recognition of the disruption caused by COVID-19. As a result, a modified written report focusing on what progress has been made and what has been achieved by each child will be sent home. A letter outlining this in greater detail will be included with the eldest student's report. Once again our teachers know their students extremely well and these reports reflect this knowledge by celebrating each student's success and identifying areas they can improve in. **Please note:** there are no Parent/Teacher interviews in Semester 2 unless requested by your child's classroom teacher.

On Tuesday 14th December we are holding our end of year presentations and a family picnic in lieu of our usual concert. This event will take place at KidsTown from 5.30pm with presentation starting at 6.00pm. We have booked the area known as **Peppercorn 2 & 3** which is the space as you cross the railway line. You are required to follow the COVID procedures of KidsTown including QR Coding upon your arrival. You will need to bring your own chairs and/or a picnic blanket, a picnic tea (BBQ Facilities are also available) and maybe the Aeroguard as I am predicting the mozzies will be out and about. **Parents' Club** will draw their annual **Christmas Raffle**. Tickets went home today and will also be available on the night. Your support is greatly appreciated.

There is a final whole school activity planned for Thursday 16th December. Arrangements are just being finalised and a permission note will be sent home this week. This activity is being kept under wraps until further notice.

I would like to welcome back one of our past student **Liesl Parnell**, who is doing a week of work experience with us. She started today and will finish next Tuesday 14th December. Liesl is interested in a career in education. Welcome back Liesl and we trust you will enjoy a different look at K.C.P.S.

The time has now come to finalise any **outstanding accounts** with Kialla Central Primary School. Lisa has sent home family accounts last week to inform parents of what is outstanding from our current school year.

If you have any questions or concerns please contact Lisa at school on Tuesdays, Wednesdays or Thursdays. As you are aware, as a small school we rely on your accounts being paid, we simply don't have the financial capacity to absorb additional expenses. Thank you for your cooperation!

The last day of school is **Friday 17th December** with an early dismissal of **1.30pm**. The bus will still run but at this earlier time. Outside School Hours Care will operate from **1.30pm to 3.30pm**. Please ensure you have alternative arrangements in place.

2022 GUITAR & KEYBOARD LESSONS

Cliff Doornkamp will continue conducting both guitar and keyboard lessons at Kialla Central Primary School in 2022. Lessons are held each Wednesday with individual lessons lasting 20 minutes. The cost of lessons is \$20.00 per lesson (payable at time of lesson).

For more information please contact Cliff Doornkamp on 0474 769 963.

Please return the form below as an expression of interest for 2022.
